

Hello Soccer Parents,

Attached is an invitation for your child to participate in Summer Session I of my advanced Elite Program. I have selected your son/daughter either from a nightly Fütskilz class, seen them play in a local game, or from a camp which they attended this past summer. You should be proud and recognize that your child has been selected from over 1200 players and invited to participate in this truly regional and unique program.

I have had a program such as this in the past, and yielded 3 National Championship Winners (Recently an additional National Championship with a local U14 Boys West Ky group of players in January '07), 6 National championship contenders, 2 Got Milk 3v3 Disney Champions, and 4 current teams listed in the Sports Illustrated/Disney Top 10.

I have been a national champion myself, trained all over the world, and played with some of the best players and coaches ever known. I look forward to bringing those lessons here to the children of Western Kentucky and Tennessee.

Due to that large number of requests and demand for team trainings and tactical trainings, I am offering, as I have done in other parts of the country, Fütskilz Sessions which practice and explore those tactical concepts requested in order to help build the a well rounded player.

VERY IMPORTANT:

I am a neutral training entity and provide programs for communities lacking professional training. I encourage players to play for their local recreational and competitive teams. **This is advanced supplemental training. Not to be confused with a USYSA competitive program.** Players are encouraged to participate in this program either concurrent with their USYSA team season, afterwards, or when their schedule permits. It is not a requirement or mandatory to play USYSA, but encouraged for additional game play and field experience. Obviously, more dedicated participants will receive the most growth and experience from the trainings. From this program, let it be known that collegiate, regional and national players are fostered.

Travel:

From time to time, players from within the program will be selected (only if/when they have achieved certain skill levels) to participate in regional tournament/game play. Tournament play purely depends on adequate levels of group talent, commitment, and improvement. I make a serious commitment to take players to the highest levels of their potentials. Tournament play is not estimated to be a consideration until players and teams have been appropriately evaluated and trained. Tournament play most likely will be a part of the 2007 Summer Session I.

Please see attached flyer for registration dates and times for your child's age group. Invitation acceptance and registration questions. **Please bring a copy of the player's birth certificate** and registration dues. Acceptance letters, birth certificate copies and dues may also be mailed by April 27th to:

632 N. 12 St. #137
Murray, Ky 42071

Any additional questions please contact me via e-mail for fastest response at info@futskilz.com.

PLEASE SEE ATTCHED DOCUMENTS AND SCHEDULES. TACTICAL TRAININGS ARE HELD CENTRALLY IN DRAFFENVILLE & BENTON TO ACCOMODATE THE OVERALL ACADEMY DEMOGRAPHICS.

Futskilz Fun,

Heidi Mueller
Director of Soccer
